Please note that in all matters presented by applicants, the Board's function is quasijudicial and therefore formal action is always taken when the matter reaches hearing. Participation in the hearing is vital to any interested member of the public. It is difficult to determine whether a matter on the agenda will be reached for a hearing. Therefore, reliance should not be placed on the estimate of whether formal action is or is not anticipated. If a matter is on the agenda your rights can only be protected by attending the meeting.
