TOWNSHIP COMMITTEE MEMBERS COMMENTS/QUESTIONS (CONTINUED)

MR. SISLER - Announced that the Morris Township Department of Health will be holding an adult blood test screening on Friday, April 27, 2018. Pre-registration and appointments are required. Registration has already begun and will run through April 23, 2018, the cost is \$25.

Mayor Mancuso requested that Mr. Quinn, Township Administrator to update the Committee and residents on the collection of storm related tree, branches and limb pick-up.

MR. QUINN, TOWNSHIP ADMINISTRATOR – The Morris Township Department of Public Works would like to assure all residents that we are planning to collect the brush. However, it will take a little time and planning to accomplish this task. Our crews are still removing broken branches and damaged trees within the Township Right of Way. Our strategy remains the same as it was when significant storms in October 2011, October 2012, and July 2016 resulted in a town-wide cleanup of trees and tree parts. A second notice will be sent out prior to the beginning of brush collection, allowing you enough time to put out all acceptable materials for collection.

We ask that all residents place brush out using the following guidelines:

ACCEPTABLE MATERIALS

Branches and tree parts:

1. Cut into four foot (4') lengths or smaller.
2. Diameter of the branches should not exceed six inches (6").
3. Placed neatly in piles along the curb line with cut ends facing in the same direction.
4. Do not place in the street or on the sidewalk.
5. Twigs, small branches, and light brush may be placed in trash cans not exceeding 50lbs. in weight.

UNACCEPTABLE MATERIALS

- Trees branches and tree parts which exceed six (6") inches in diameter.
- Stumps
- Dirt, grass, and loose piles of leaves.

It is the responsibility of the property owner to dispose of any trees or tree parts which do not meet these requirements. Your patience and cooperation are greatly appreciated.

If you have any questions, please contact our Department of Public Works Office at 973-326-7398.

MR. MANCUSO – The Department of Public Works did a great job addressing the storms that we have experienced and are working diligently to obtain the required permits from NJDEP to store debris at various location for chipping; starting April 25, 2018 two members of the Township Committee will be available once a month to meet with residents in the Township Hall; 'Texting while driving' is a step closer to being implemented into a new law and is anticipating a meeting with Governor Murphy on this issue.
