James Street's I-287 Overpass Reconstruction To Begin Friday, August 24, 2012

August 22, 2012

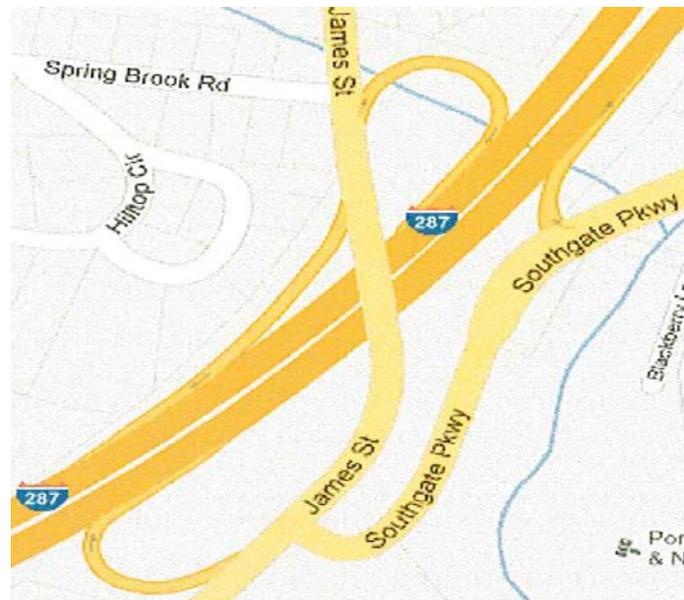

New Jersey DOT has informed the Township of Morris that the James Street Deck Replacement project is scheduled to begin Friday, August 22, 2012. This will cause the closure of James St. at I-287 for approximately nine (9) months. The anticipated completion date is May, 2013.

Motorists should plan for alternate route.

Detours

Drivers traveling south on James St. will be directed onto I-287 southbound to Harter Rd.

Drivers traveling northbound on James Street will be directed onto South Gate Parkway and onto I-287 northbound. Drivers will be directed to exit 35 and onto South St. back towards James St.
