NOW, THEREFORE BE IT ORDAINED, by the Township Committee of the Township of Morris, County of Morris, State of New Jersey:

SECTION ONE. The Code of the Township of Morris is hereby amended by adding thereto the following new chapter:

§ -1 Policy.

It is hereby declared to be the public policy of Township of Morris to recognize the public's general right to know pursuant to the Open Public Records Act (N.J.S.A. 47:1A-1 et seq.). All records kept in the course of official duties by any Township officer or employee shall be deemed to be "government records," as that term is defined by N.J.S.A. 47:1 A-1.1, and such records shall be subject to inspection by the public unless exempt under the statute or other regulation, common law practice, executive order of the Governor, Rules of Court, federal law or judicial decision.

§ -2. Custodian of Records.

In accordance with N.J.S.A. 47: 1A-1.1, the Municipal Clerk is designated as the custodian of records, and that N.J.S.A. 47:1A-1et seq. also allows the Municipal Clerk to name deputies to assist by taking responsibility for categories of records usually kept in other places other than the Municipal building or the Clerk's Office.

A copy of the request shall be forwarded to the Attorney, who, after review and investigation, shall issue an opinion and note such opinion on the request and promptly return it to the Municipal Clerk.

D. If any part of a particular record is exempt from public access pursuant to N.J.S.A. 47:1A-1 et seq., the Clerk shall delete, redact or excise from a copy of the record that portion which is exempt from access and shall promptly permit access to the remainder of the record.

E. If the record requested is temporarily unavailable because it is in use or in storage, the Clerk shall so advise the requestor and shall make arrangements to make a copy of the record available.

F. If a request for access to a government record would substantially disrupt municipal operations, the Clerk may deny access to the record after attempting to reach a reasonable solution with the requestor that accommodates the interests of the requestor and the municipality.

G. As required by N.J.S.A. 47:1A-5e, immediate access shall be granted for access to budgets, bills, vouchers, contracts (including collective negotiations agreements and individual employment contracts), and public salary and overtime information.

In the event that the Clerk fails to respond within seven business days after receiving a request, the failure to respond shall be deemed a denial of the request, unless the requestor has elected not to provide a name, address or telephone number, or other means of contacting the requestor. If the requestor has elected not to provide a name, address, or telephone number, or other means of contacting the requestor, the Clerk shall not be required to respond until the requestor reappears before the custodian seeking a response to the original request.
