No reprisals of any kind shall be taken by the Township or any member of the Administration against any party interest, any representative, any member of the Union, or any other participant in the grievance procedure by reason of such participation.

ARTICLE III GRIEVANCE PROCEDURE

Section 1: Definitions

A. Grievance - A grievance is any alleged violation of terms and conditions of employment as set forth in this Agreement or any dispute with regard to the agreement's meaning or application.

B. Immediate Superior - An employee's immediate superior is the person to whom the aggrieved employee is directly responsible under the prevailing 'Table of Organization.'

Section 2: Purpose

The purpose of the grievance procedure is to secure an equitable solution to the problems affecting employees arising under this Agreement.

The parties agree that disputes shall be resolved at the lowest possible administrative level. Thus, the parties shall encourage the informal resolution of disputes by discussion of complaints between an individual and his immediate superior, and, only in the event that such discussion fails to produce a satisfactory adjustment of the complaint shall it be reduced to writing and submitted as a grievance.

Section 3: Procedure

A. An aggrieved employee must file his grievance in writing with his immediate superior within five (5) working days of the occurrence of the matter complained of, or within five (5) working days after he (the grievant) would have reasonably been expected to know of its occurrence. Failure to act within said time period shall constitute an abandonment of the grievance.

STEP 1: Once timely filed, the aggrieved employee, Union Shop Steward, and the employee's immediate supervisor shall discuss the grievance. If the grievance is not resolved satisfactorily or if no resolution is made within three (3) workdays by the immediate supervisor, the grievance may be appealed to Step 2.

STEP 2: In the event there is not a satisfactory resolution of the grievance at Step 1 or an answer given within the time provided, the aggrieved employee with the Union Shop Steward, may present his grievance to the Township Grievance Committee, as defined herein, within seven (7) work days thereafter. The Township Grievance Committee shall be comprised of the Township Administrator and the Standing Committee or two persons appointed by the Township Committee. Upon receipt of the grievance, the Township Grievance Committee shall investigate the grievance and shall render a decision thereon within ten (10) workdays.

STEP 3: In the event there is not a satisfactory resolution of the grievance at Step 2 or a decision rendered by the Township Grievance Committee within the time allowed, the aggrieved employee, together with his Union Business Representative, Union Shop Steward, and legal counsel, may appeal to the Township Committee, in writing within ten (10) work days thereafter, by use of a mutually approved grievance form.

If the grievant, in his appeal to the Township Committee, does not request a hearing, the Township Committee may consider the appeal on the written record submitted to it or the Township Committee may, on its own, conduct a hearing; or it may request the submission of additional written material. Where additional written materials are requested by the Township Committee, copies thereof shall be given to the aggrieved employee who shall have the right to reply thereon. Where the grievant requests, in writing, a hearing before the Township Committee, a hearing shall be held within thirty (30) work days from the date of the receipt of the written request. The Employee, together with his Union Business Representative, Union Shop Steward, and his legal counsel, may be present at the hearing and shall be afforded an opportunity to present evidence and require the appearance of witnesses – if such witnesses are employees of the Township – to appear and testify on behalf of the grievant. The Township shall fully cooperate with the grievant, his Union Business Representative, Union Shop Steward and legal counsel, with respect to (a) the production of any documents relevant to the issue at hand; and (b) the production of employee witnesses. The Township Committee shall render its written decision within thirty (30) days from the date of the hearing, unless the parties mutually agree in writing to extend the period in that particular instance.

STEP 4: If no satisfactory settlement can be agreed upon at Step 3, within thirty (30) days from the time of receipt of a result unsatisfactory to the Union or the Grievant, the matter may be referred to the New Jersey Public Employment Relations Commission (P.E.R.C.) for arbitration. However, non-contractual grievances (e.g., grievances relating to policies/procedures which are not contained in or subject to this Agreement) or disciplinary actions not resulting in a suspension (e.g., written/verbal reprimand, fine) shall terminate at Step 3 and are not subject to arbitration. After P.E.R.C. submits a list of arbitrators to the Union and the Township, they shall reply with their preferred selection no later than five (5) workdays after receipt of such list.

The Arbitrator shall not have authority to amend or modify this agreement or establish new terms or conditions under this agreement. The Arbitrator shall determine any question of arbitrability.

A mutual settlement of the grievance pursuant to the procedure set forth herein and/or a decision of the Arbitrator will be final and binding on all parties and employees involved.

The expense of the Arbitrator selected or appointed shall be borne equally by the Township and the Union.

The procedure set forth herein may be invoked only by an authorized representative of the Employer or the Union.

If the Employer/Union fails to comply with the award of the Arbitrator or with the procedures under this Article, the Employer/Union seeking compliance shall have the right to take all legal and economic action to enforce compliance.

ARTICLE IV SENIORITY

A. Seniority, which is defined as continuous employment with Township from date of last hire, will be a factor in an employee work history, which will be given due consideration by the Township in promotion and/or advancement to higher rated positions within the terms and conditions of this agreement.

B. All vacancies or newly created bargaining unit positions shall be posted. Qualifications and seniority shall be significant factors and shall be taken into consideration in filling such vacancies and new positions. Seniority shall prevail in all matters where a preference of selection involves two or more equally qualified employees. The Township shall have sole discretion in determining the qualifications of eligible applicants.

C. In the event that at any time or times it becomes necessary, in the opinion of the Township, to reduce the number of employees, qualifications and seniority shall be a significant factor among employees and each given equal weight in determining employees to be laid off. Therefore, employees shall be laid off in the reverse order of seniority taking into consideration qualifications and shall be returned in the order of seniority taking into consideration qualifications. Employees who are to be laid off shall be given at least twenty (20) working days' advance written notice by the Township. The employee on lay off has recall rights for a period of two years.

D. The most senior employees shall be given preference, during the period of January 1 through March 31, in the selection of vacations, provided there is no interference with the normal operation of the Township.

E. The opportunity for training and educational advancement within the unit or for upgrades of position shall be based upon seniority and qualifications.

ARTICLE V UNION REPRESENTATIVES

A. The Business Manager or Business Representative of the Union may, on no more than six occasions per year, enter the Township facilities or premises at reasonable hours for the purpose of observing working conditions. Such Union representative may also enter the Township facilities or premises at reasonable hours for the purpose of assisting in the adjustment of grievances and discussing with Township representatives

the necessary business required to maintain a working relationship between the parties and their charges. When the Union decides to have its representative enter the Township facilities or premises, for any reason identified in this section, it will request permission to enter from the appropriate Township representatives and such permission will not be unreasonably withheld, provided there shall be no interference with the normal operations of the business of the Township Government nor meetings held on Township time or property.

B. Four Shop Stewards may be appointed to represent the Union in the Union's business and dealings with the Township. The authority of Shop Stewards so designated by the Union shall be limited to, and shall not exceed, the following duties and activities:

- (1) The investigation and presentation of grievances in accordance with the provisions of this agreement;
- (2) The collection of dues when authorized by appropriate local Union action;
- (3) The transmission of such messages and information which originate with, and are authorized by the local Union or its officers, provided that such messages and information:
 - a) have been reduced to writing or

Shop Stewards shall be permitted a reasonable amount of time to investigate, present and process grievances on or off the property of the Township, without loss of time or pay. Such time spent in handling grievances shall be considered working hours in computing daily and/or weekly overtime.

The Shop Steward shall be from the following departments: Two from Roads and Sanitation, one from Parks and Recreation, and one from Sewer. The Union shall provide in writing the names of said stewards to the Township and without written notice of change no other individual shall be recognized by the Township. Departmental stewards shall have top seniority in their respective departments, as to layoffs only.

C. Upon notification to and approval by the appropriate supervisor, the privilege of the steward to leave his work at a reasonable time during working hours without loss of pay is extended with the explicit understanding that the time will be reasonable and will be devoted solely for the purposes of investigating, processing and presenting grievances, without loss of pay, provided same does not unduly interfere with the normal working operations of the Employer.

D. The Township will notify the Union, in writing, of all promotions, demotions, transfers, suspensions, and discharges of any employee covered by this agreement. The Township will also notify the Union, in writing, of any plan to layoff any employee covered

by this agreement. The Township will also provide the Union with an updated list of covered employees showing the employee's name, address, job classification, telephone number, and the last four digits of the covered employees' Social Security number. The Union will be also notified of any additions and/or deletions in the payroll of covered employees as they occur.

ARTICLE VI HOURS OF WORK

A. The basic workweek shall be forty (40) hours per week, eight (8) hours per day, five (5) consecutive days per week Monday through Friday, for employees covered under this Agreement, except for those hired after July 8, 2008.

B. The regular hours of the workweek shall be from 7:00 a.m. to 3:30 p.m., for Roads, Sewer, and Parks and Recreation personnel and 6:00 a.m. to 2:30 p.m. for Sanitation and Recycling personnel with an unpaid one-half hour lunch period, unless otherwise designated by the Department Head in an emergency situation. In addition to the unpaid one-half hour lunch period each work day, the Township shall also allow, at its discretion time-wise, thirty (30) minutes of paid break time during each work day.

From April 29, 2022 until May 1, 2023, Sanitation personnel shall, on a trial basis commence work at 5:30 a.m. and end work at 1:30 p.m., with no break for lunch, Monday through Friday. If a half-hour lunch break is taken, the workday will end at 2:00 p.m. Sixty days prior to the end of trial term, the Township and union will meet to determine whether to continue these hours of operation on a permanent basis. Either party may unilaterally determine that the adjusted hours will not be continued.

During the summer months, from Memorial Day to Labor Day, the Department Heads shall have the discretion to adjust work hours by moving the start and end times up to one hour earlier or later ("summer hours"). The summer hours can also be used for leaf removal/clean-up on an as needed basis. The Sanitation Department can be scheduled to begin at 5:30 a.m. ending at 1:30 p.m. with no lunch break – 2:00 p.m. if a lunch break is taken. The Road Department, including vehicle maintenance, can be scheduled to begin at 6:00 a.m. and end at 2:30 p.m.

C. In those departments where the Township uses a timeclock to record an employee commencing and ending work, all members in that department must use the timeclock to record when they begin work, and end work. If an employee becomes aware of the timeclock's malfunction or stops working, this must immediately be brought to a supervisor's attention.

ARTICLE VII OVERTIME

A. Overtime – The Union recognizes the Township's need for and right to require reasonable amounts of overtime. The schedule for working such overtime shall be established by the Township.

1. All employees, except as otherwise provided herein, shall be paid time and one half their hourly rate of pay for the job classification of work to be performed for all time worked beyond the normal tour of duty. In computing time worked for overtime eligibility, all approved leave time will be included, with the exception of "leave without pay."

2. Overtime, as set forth above, shall also be paid when an employee who is eligible to receive it is required to work in excess of a completed tour of duty or on a regularly scheduled day off or on an official holiday.

Any eligible employee shall be paid compensation at the overtime rate when authorized to work beyond his regular tour of duty by his department head or the Township Administrator. All efforts shall be made to give as much prior notice, as reasonably possible, or pending unscheduled overtime.

3. As an alternative to the mandatory payment of overtime provide herein, an employee may elect to receive one and one-half (1½) hours of compensatory time in lieu of overtime pay for each hour of overtime worked. The accumulated compensatory time shall not exceed one hundred fifty (150) hours and the employee may only use eighty (80) hours in a calendar year. Once used, within a calendar year, no further hours may be accumulated to replace the expended compensatory time. The Township, however, agrees not to require or in any way solicit any employee to take time off to compensate for time worked in excess of eight (8) hours in a workday or forty (40) hours in a workweek.

Members shall be notified, no later than the second-to-last payday of any calendar year as to the balance of his/her compensatory time for the year. If a member wishes to utilize some or all of the accumulated leave time earned, he/she must notify the Township pursuant to this Agreement and Township policy of the request within a reasonable amount of time thereafter if such time is to be used prior to the end of the year. Any overtime earned after the second-to-last paycheck of the year is issued but before December 31 of a particular year, shall be paid to the employee and cannot be accumulated as compensatory time off. All unused compensatory time as of December 31st of each year shall be paid to the employee upon request at the current rate of salary.

All requests for time off under this provision must be submitted on prescribed forms for the approval of the Department Head at least seventy-two (72) hours in advance and will be granted only when to do so would not disrupt normal operations.

It is understood that the request for compensatory time off will not create a need for overtime payment.

B. Minimum Guarantee - An employee called to report in to work outside of his normal working hours shall receive a minimum of two (2) hours pay at overtime rate of

pay. If an employee is called in to work two hours or less before his normal starting time, this time worked shall be considered as part of his normal starting time and this time worked shall be considered as part of his normal work day and shall not be covered under this provision.

The provisions of paragraph "A. Overtime", of this Article shall, however, not apply to those employees who have voluntarily chosen to accept seasonal or additional employment by the Township in addition to their normal regular year-round employment by the Township.

In the distribution of overtime work, preference shall be given to permanent fulltime employees over temporary or seasonal employees. Overtime shall be offered and equally distributed to the extent possible among the employees capable of performing the work to be completed, using the established rotational system. Opportunity to work overtime shall be rotated with the intention to achieve equalization. The initial list shall be kept by seniority with shop stewards at the top of each unit for the first rotation. Regular employees assigned to any project during the normal working hours shall stay on for any overtime attributable to that shift.

The overtime provisions of this Article shall apply only to permanent full-time employees.

C. Recording Overtime, Maintaining A Current List of Overtime Actually Worked or Offered.

The method of recording an employee's overtime will be as follows:

E. Cross Training for Parks and Recreation Scheduled Overtime

The Township will provide cross training to interested employees from the Department of Public Works or the Water Pollution Control Utility on a voluntary basis for Parks and Recreation scheduled overtime. Any overtime shall be assigned to Parks and Recreation employees first. If Parks and Recreation employees are not available, or decline the overtime shall be from all other cross-trained unit members based upon seniority.

F. Sewer On Call

On a rotating basis, a Sewer employee shall be on-call each week. The employee who is on-call any given week, when a Township vehicle is available, shall be permitted to take a Township vehicle home each night, which the employee shall use in the event he/she needs to attend to an emergency outside of regular business hours. If all Township vehicles are assigned to other individuals, such as in anticipation of a snowstorm, then the Sewer employees shall not have a Township vehicle to use on that occasion.
